## Bread Care INSTRUCTIONS

Great bread is made without preservatives. Follow these simple steps to maintain your bread's fresh-from-the-oven goodness.

- If unsliced, keep the bread in a paper bag at room temperature.
- Once the bread is cut, place the sliced side down on a flat surface to retain moisture.
- For best results, we recommend immediately freezing any portion that will not be used within 3 days in a plastic bag. Your bread will keep in the freezer for up to 3 months.
- To warm and recrisp, remove from the plastic bag and place in a 350° oven for 10 minutes.
